DDCI briefed on the ins and outs involved in obtaining radar coverage from the 6th Fleet of Soviet air carriers crossing the Mediterranean.

DDCI discussed the present level of community knowledge on SA-3 characteristics.

DDCI noted a letter from Admiral Rickover and proposed that the Agency put together the new information available on Soviet nuclear submarine characteristics with the idea of sending it with a covering letter to the Deputy Secretary of Defense. The Director agreed to the procedure but cautioned that the study should justify its dissemination.

25X1

The Director noted that the item on disclosure policy has been removed from the USIB agenda for further discussion.

ACTION:

1. The Director asked Godfrey to have the Brezhnev speech read with some care.
